Pacific Urethanes exhibited at the Mining Vietnam event in Hanoi

Pacific Urethanes exhibited at Mining Vietnam in Hanoi in April. Colin Groom our Business Development Manager for ASEAN, was supported on the stand by representatives from National Urethane Industries (NUI) Donovan Slade and Mike Fellows-Smith. Our local agent An Loc Phat (ALP) was represented by Ms Ha Tran and Doanh Nguyen.

The exhibition was attended by a large number of delegates from the Vietnamese mining industry as well as many visitors from other counties including China and Thailand.

Pacific Urethanes is the Distributor in ASEAN for NUI's range of CASE products (Coatings, Adhesives, Sealants, and Elastomers) which include Ultracast high performance elastomers, Ultraspray and Ultracote coatings and Ultratech sealants.

Specialist technical advice was provided on applications for the mining industry including wear-resistant linings, screen decking, conveyor scraper blades and a wide range of waterproofing applications. Great interest was also shown in NUI's Poly-NUI-Matic Tyre Fill system.

ALP have added the NUI product portfolio to the range of rubber, plastic and chemical products range. Their significant expertise and will provide an invaluable local service as Pacific Urethanes agent in Vietnam.

DAP Touch n Seal Products – A New Partner for Pacific Urethanes

Pacific Urethanes has expanded our product range, offering the Touch n Seal range of Polyurethane Foams and Sealants.

Touch n Seal one component polyurethane foam sealants are a cost effective way to seal gaps and voids and prevent energy loss from air infiltration.

Touch n Seal Foam Kits are two component low pressure spray applied polyurethane foam systems including;

- Insulating residential, commercial, industrial, or agricultural structures.
- Duct sealing
- Sound absorption
- Movie set production and theming

Pacific Urethanes will market these systems through our existing trade and distributor network.
